

O SHAPED LEARNING SHOWCASE EVENT

12.30PM-1.45PM, 9TH MAY 2023

The College of Legal Practice and O Shaped would like to invite you to an exclusive virtual demonstration of the College's unique O Shaped Skills Module.

From September, all your junior employees can develop their O Shaped skills for as little as 4 hours a week on highly flexible virtual courses that run throughout the year.

At this virtual demonstration, attendees will see the College's O Shaped learning experience for themselves, and Browne Jacobson will share why developing O Shaped lawyers is important to them. There will be lots of time for questions.

O SHAPED: NEW SKILLS FOR A NEW WORLD

 The College
of Legal Practice

THE O SHAPED SKILLS COURSE

An in-depth practical course that develops junior legal professionals' O Shaped competencies, including essential human and business skills. Ideal for paralegals, trainees and NQ - 3 years PQE solicitors.

First-hand perspectives on the O Shaped attributes from leading GCs and leaders from the sector.

1-2-1 supervision from expert legal practitioners, challenging and supporting students to reflect and develop their analytical skills.

Virtual, highly flexible learning, with multiple full-time and part-time options. Study hours range from 30 hours per week to 4 hours per week across one year.

UNITS IN THE MODULE

- 1. Introduction to O Shaped mindset and attributes**
- 2. Navigating the professional work environment**
- 3. Communicating effectively**
- 4. Facilitating client service**
- 5. Developing a commercial mindset**
- 6. Law firm economics**
- 7. Legal technology and innovation in legal practice**
- 8. Creating your personal brand and networking**
- 9. Developing leadership skills**
